Solpower

Solpower provided a befitting backdrop to enchanting Samode Resort at Bhandhavgarh. The all new 300 liters Solpowers were approved for providing hot water at the resort by Samode group at Tiger Sanctuary . All cottages will have individual solpower systems to provide hot water to visitors.

Unicon Industries is pleased to announce the bagging of order to provide Georg Fischer Plumbing to M/S Pinnacle Resorts in Gulmarg. It had been a challenge to prove that Georg Fischer can provide successful all weather plumbing systems and that we shall be able to provide a seamless plumbing in extreme conditions. Good luck to Unicon.

Assuranz

Assuranz is expanding its horizons in providing value based products and services in the construction Industry. Assuranz has signed strategic SPA for sale of Super silent and efficient Guardian Generators up to 25 KVA. These come with Mitsubishi Engine and Stamford Alternators. The product has been received with a overwhelming response and some of the installations are already on the way.

In addition, Assuranz looks at providing Greaves Generators for capacity exceeding 25 KVA.

jatra

Jatra was host to a stream of visitors from North India. The pleasant and cool weather at Pauri provided a welcome relief. It was heartening to see the visitors coming back fro the second time as once is really not enough.
